## Information Note

### TO WHOM IT MAY CONCERN

Please note that the Embassy of the Federal Republic of Germany to the State of Kuwait does **not** issue

- a) **Letters or certificates confirming the validity of a German passport**, the national status of the bearer of a German passport or the personal details contained in a German passport.

A valid German Passport is an official identity document under German law, issued by a German authority, and contains personal data to allow the bearer to identify himself towards German or foreign authorities.

- b) **Certificates or letters of non-objection to residency transfers to or from a German passport**. Requests to transfer a Kuwaiti residency to/from a German passport are a personal matter to be resolved between the individual concerned and the local authorities.
- c) **Certificates or letters of non-objection to any German national sponsoring** their German or non-German spouse or family member(s) for visa/residency purposes. Requests for visas/residency are a personal matter of the individuals concerned and the local authorities. The Embassy of the Federal Republic of Germany will no longer issue letters related to the above mentioned topics.

The information contained in this Note is general and should not be taken as a definite statement of law.
