#### Basic information

- Documents not in the English language must be submitted with a certified German translation. A translation of the personal data page of the passport is, however, not required.
- Certificates, diplomas, etc. must be presented in the original with. Your original documents will be returned to you once your application has been processed.
- As a rule, visa applications must be approved by the relevant foreigners' authority in Germany. The visa can only be issued when this approval has been received.
- **Processing time is as a rule ca. 4 weeks** but can take longer in individual cases.
- Flight reservations are not required to apply for a visa – please only book when you have received your visa.
- The mission abroad reserves the right to request further documents.
- Missing documentation delays the procedure and can result in your application being rejected.
- **Please do not contact the mission abroad to check the status of your application during the normal processing period.** Such inquiries are extremely time-consuming for the visa section and can thus not be answered.
- **Please do not staple the documents**
