

EEAS Vacancy Notice

Seconded National Expert in the Civilian Planning and Conduct Capability (MD.CPCC)

Senior Medical officer/Medical Expert in DMD.CPCC.5

Cost-free

AD level post
Job No. 428946

We are:

The European External Action Service (EEAS) supports the High Representative in the exercise of his mandate to conduct and implement an effective and coherent EU Common Foreign and Security Policy (CFSP), of representing the EU and of chairing the Foreign Affairs Council. It also supports the High Representative in his capacity as Vice-President of the Commission with regard to his responsibilities within the Commission in the external relations field including the coordination of other aspects of the EU's external action. The EEAS works in close cooperation with the General Secretariat of the Council, the services of the Commission and the Secretariat General of the European Parliament.

The Civilian Planning and Conduct Capability (MD.CPCC) is the permanent structure supporting the Civilian Operations Commander. The Civilian Operations Commander is the overall commander at the strategic level of currently 14 civilian CSDP crisis management missions and provides strategic guidance and direction to the Heads of Mission. The Civilian Operations Commander reports directly to the High Representative for Foreign Affairs and Security Policy and through him to the Council of the EU. Under the political control and strategic direction of the Political and Security Committee and the overall authority of the High Representative, the Civilian Operations Commander ensures the effective planning and conduct of civilian CSDP crisis management operations, as well as the proper implementation of all mission-related tasks as well as the discharge of the duty of care.

We propose:

The post of a "cost-free" Seconded National Expert (SNE) serving as **Medical Expert** in the Security/Duty of Care Division, DMD.CPCC.5. Under the authority of the DMD.CPCC.5 Head of Division, reporting and as part of the duty of care obligations of the command structure, the SNE (Seconded National Expert) Medical Expert is expected to perform the following tasks:

- Provide expert advice to the CPCC Managing Director on health and medical issues.
- Act as a point of contact to support, assist and advise Missions and other stakeholders on medical, health and related safety issues;
- Monitor and support the implementation of Medical clearance policy, sick leave entitlement management, special maternity/paternity leaves, and health and safety standards at work, preventive care measures including vaccinations.
- Ensure consistency of medical delivery across all Missions;
- Chair the recruitment of qualified medical staff for all missions;
- Assist in evaluating medical facilities in mission areas;
- Assist the Operations Crisis Meeting when activated in case of critical incident, and contribute to the after-action review as a medical expert;
- Contribute to policy development on health and safety issues, including through:
 - Developing and implementing standardized medical SOPs and procedures;
 - Identifying and implementing medical quality assurance procedures;

- Link the medical provision with the security element both within the CPCC and at an operational level within Missions;
- Provide a liaison capability (point of contact) between Missions and Health/High Risk Insurance (e.g. CIGNA) providers to support CASEVAC/MEDEVAC and medical referrals;
- Liaise closely with the EUMS, EEAS and other relevant EU medical actors (SANCO, DEVCO, ECHO)

We are looking for:

The European External Action Service (EEAS) is seeking a dynamic, proactive and highly motivated colleague with strong analytical and networking skills to occupy the post of Seconded National Expert (SNE). - Formal training in Advanced Trauma Life Support (ATLS), or Pre-Hospital Trauma Life Support (PHTLS) or Advance Cardiac Life Support (ACLS) instructor or provider course;
- Have a good understanding of the role of the EEAS as a diplomatic actor as well as a good understanding of the main objectives, principles and decision making processes of the EU's Common Foreign and Security Policy (CFSP), including the Common Security and Defence Policy (CSDP);
- Knowledge of French, Arabic and Russian languages would be an asset;
- A past experience within an EU CSDP mission would be an asset;

B. Skills required:

- Have strong organisational and managerial skills, sense of initiative and ability to work under pressure within short deadlines and to manage multiple tasks and unexpected demands;
- Have excellent interpersonal skills;
- Have ability to work and communicate in interdisciplinary and intercultural teams;
- Demonstrate gender awareness and sensibility and the ability to integrate a gender perspective into tasks and activities
- Have excellent analytical capability as well as excellent drafting and reporting skills. Rapid grasp of problems and capacity to identify issues and solutions;
- Be prepared to travel on mission to current or potential crisis areas and to do so at short notice;
- Have the ability to exercise greatest discretion with regard to all facts and information coming to his/her knowledge in the course of or in connection with the performance of his/her duties;

C. Languages:

- Excellent level of written and spoken English.
- Good command of French is a strong advantage.

D. Personal qualities:

- Be a motivated and flexible team player;
- Have the ability to adapt quickly to new situations and deal with new challenges;
- Have the ability to maintain the highest standards of personal integrity, impartiality and self-discipline.

Equal opportunities

- The EEAS is committed to an equal opportunities policy for all its staff and applicants. The EEAS is committed to promoting gender equality and to preventing discrimination on any grounds. It actively welcomes applications from all qualified candidates from diverse backgrounds and from the broadest possible geographical basis amongst the EU Member States. We aim at a service which is truly representative of society, where each staff member feels respected, is able to give their best and can develop their full potential.
- Candidates with disabilities are invited to contact SNE-CSDP@eeas.europa.eu in order to accommodate any special needs and provide assistance to ensure the possibility to pass the selection procedure with equal opportunities as other candidates. If a candidate with a disability is selected for a vacant post, the EEAS is committed to providing reasonable accommodation in accordance with Art 1(d) (4) of the Staff Regulations.

Conditions of secondment

The SNE shall remain in the service of their employer throughout the period of secondment and shall continue to be paid by that employer.

Duration of the secondment: Initial period up to two years, renewable up to 4 years.

The EEAS will cover:

- costs of professional travels (missions) incurred by the SNE posted in the EEAS HQ;
- accident insurance 24/7 for SNE (not family members).

Other expenses such as removal costs, allowances, salary, insurance, schooling (while the SNE maintains the right to enrol the children in an [European School Type I](#))^[3] and costs related to the enrolment to the Interinstitutional nurseries or the After-school centre managed by the early childhood centre of the European Commission shall not be covered by the EEAS. However, in case the SNE makes use of these two facilities for their dependent children, the EEAS shall recover any invoiced cost (including the institutional and the parental contribution, estimated at approximately EUR 18,000 per year and per child) from the Seconded National Expert concerned on a yearly basis.
