

An opportunity for you to report on the global energy transition!

**BETD
MEDIA
FELLOW
SHIP.25**

The BETD Media Fellowship is an official side event of the Berlin Energy Transition Dialogue (#betd25, energydialogue.berlin), a high-level conference on the energy transition, taking place on 18-19 March 2025. Reporting on and raising awareness about the international energy transition, renewable energies and energy efficiency are crucial in order to meet the targets set by the Paris Climate Agreement.

- a platform to share your articles about the BETD.25

Voices of BETD Media Fellows Alumni

**AIBARSHYN
AKHMETKALI**
ECON PLUS FM96.5

“BETD provides an excellent opportunity to network with global energy leaders and 14 fellows worldwide. I return with a broader understanding of the global energy landscape and great memories from Berlin!”

DARE AKOGUN
SOBI FM ILORIN

“Participating in the fellowship program was transformative, broadening my perspective on global energy issues and empowering me with valuable insights and connections for my professional journey.”

**KHUSHBOO
GOYAL**
RENEWABLE WATCH

“BETD was an enriching experience, offering the chance to connect with global fellows and gain insights into energy transition progress worldwide. Being from India, I appreciated the focus on 'just energy transition' and gender equity in renewables.”
